RE: LaGrange Transfer Station

The Town received notification from Royal Carting that effective January 1, 2023, they will no longer be able to operate the LaGrange Transfer Station. The Town Board would like to thank Royal Carting for providing their services to the Town, and for their commitment to our community over the years. It has been a pleasure working with the Royal Carting family.

We do realize that this has an impact on those residents that anticipate or currently use this service. At this time, we encourage you to explore alternate refuse options for the new year. Below is a listing of reasonably accessible refuse locations in the surrounding area that may be of interest.
