

Town of LaGrange Power Outage Status:

As many of you are aware, a large and damaging winter storm hit the area on Friday, March 2nd.

At its peak, more than 3,200 customers were without power in LaGrange, roughly half of the Town.

As of 9:40am on Monday March 5th, there are still 814 customers without power. Central Hudson estimates that a 90% restoration will be completed by 10PM on Tuesday March 6th. For more detailed or more current information regarding specific power outages, please check the Central Hudson Storm Central web site:
