Changing Lives...Inspiring Play...Fostering Teamwork!

WE ARE ALL IN THIS TOGETHER!

In uncertain times, we call on community to rally and support each other. We know our LaGrange community is **strong** and we are here to help.

Your **Parks & Recreation Department** is working to redefine recreation in these unsettled times and be your partner.

We are in the business of bringing people together and we still want to do that, even if it is through social media!

Please follow us on **Facebook** for activity ideas, virtual experiences, announcements, pictures, fun and support.

Follow **Instagram** for images and inspiration with a little humor tossed in.

It is critically important that you follow social distancing guidelines, especially while out and about in our parks. As things change with this virus, you may see closures and we ask that you have patience.

The sooner this is under control, the sooner we can get back to the business of play!

Our office staff is on a limited office schedule and Town Hall is closed. Email is the best way to communicate with us.

Keep your chin up and look after your neighbors.
We can't wait to see you on the other side of this.
Stay well!
